

C50

Super-concentrated car shampoo

HOOVER
Professional

GENERAL ASPECTS:

C50 is a super concentrate shampoo with controlled pH for washing the bodywork of the motor vehicle and of transport in general.

C50 create a lot of foam rich of active ingredients that remove the dirt and keep it in suspension.

C50 works efficiently without damaging the paint, rinses easily and leaves a shiny finish and without halos.

APPLICATION FIELDS AND INSTRUCTIONS FOR USE

C50 is a highly foaming cleanser and can be used manually, with a pressure washer or automatic systems, for the washing of bodies of cars, buses, trucks, vans and all vehicles in general

Manual cleaning: dilute with water at 0.5-1% (50-100 ml per 10 litres of water). Apply with a sponge and rinse. Dry with a chamois leather.

Cleaning with a pressure washer: dilute with water at 0,3% - 0,5% (30-50 ml. Per 10 litres of water) spraying low pressure and rinse after about 1 minute at high pressure.

Automatic systems: the dilution nozzle level must be 0,3% - 0,5%.
