

NEUTRAL SHINING DETERGENT WITHOUT RINSING

GENERAL ASPECTS:

D12C is a neutral detergent, suitable for quick cleaning without rinsing of the floors. D12C cleans and degreases the treated surface without removing the polish and without damaging

D12C is also an extremely safe and pleasant to use product as it contains no harmful substances, it does not release vapors, it is not irritating to the skin and diffuses into the air a fresh, pleasant and persistent scent of pine. D12C cleans returning to the surface its natural shine.

APPLICATION FIELDS

D12C is suitable for the cleaning all types of floor, except for the unpainted wood ones. D12C is especially suitable for the daily cleaning of ceramic floors, lead polished marble floors or treated with metallic wax, shiny and vitrified floors in general, which can be attacked and made opaque by the use of unsuitable cleaning agents.
